1–2 p.m.

Community Open House

Discover a new approach to dementia care! Come join our Community Open House to tour our innovative Dementia Care and Education Campus and explore all the ways we support people living with dementia and their caregivers.

Adult Day Club

A safe and engaging daytime program for people living with dementia, offering meaningful activities, social connection and support for families.

Education Center

Comprehensive support for our community offered at no charge to families, including:

- Memory Café
- Caregiver support groups
- Educational events and workshops

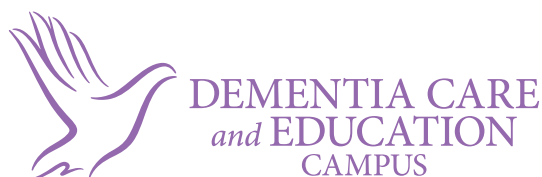

Supportive Care for Dementia

A community-based program that comes to you, providing individualized education, guidance and support for families navigating dementia.

Also learn about:

- Our Assisted Living Center, a beautiful residential space specifically tailored for memory care.
- Levine Home, our peaceful hospice home designed for comfort and specialized support.
- Our creative team, including our activities coordinator and music therapist, who brighten every day with fun socialization.

To RSVP: call (602) 767-8300 or email dementiacampus@hov.org
